The Haven Community Advisory Group

The Haven Community Advisory Group was formed to help the staff and directors to run all aspects of the project's operation.

Everyone who uses The Haven and wishes to have a say about how it is run, is welcome to join us.

The Haven Community Advisory Group helps with:

- Suggestions for the Day Services Programme.
- The operation of the Crisis Service.
- Policies and leaflets for the Project.
- Décor and the environment.
- Reviews how staff handle difficult situations.
- Is concerned with all aspects of the Project's operation and offers suggestions, advice and is involved in decisions about The Haven.

If you use The Haven, and wish to join this group every one is welcome and meetings are monthly.

If you don't wish to actually join the group, but have a suggestion, please let us know and it will be forwarded to The Haven Community Advisory Group for its next meeting.
